Columbia University Department of Psychiatry

- Location: Manhattan, New York
- Overview: Clinical observership (shadowing) positions provide the opportunity for international medical students or graduates of training programs in medical specialties to experience the U.S. psychiatric medical system. The application process can take up to three months, with applications accepted on a rolling basis. Due to the program's popularity, applying six to eight months in advance is recommended.
- Duration: Four weeks, each fall; beginning on Mondays, the observer spends one week each on four clinical services (usually an inpatient unit, an outpatient unit, the psychiatric emergency room and a psychiatry specialty service)
- Cost: Accepted applicant pays
- Contact Information:
 - Margaret Hamilton, M.D., mis3@cumc.columbia.edu
 - Karen Cruz; karen.cruz@nyspi.columbia.edu; phone: 646-774-7505; fax: 646-774-6398
